

POLICE CHIEF SEEKING NEW CRUISER DESIGN !

Criteria:

The Chief of Police is announcing a competition to re-design the Service's police vehicle. The new image should look appealing, sharp and modern.

The new Nishnawbe-Aski Police vehicle design must represent the First Nation communities that we service. The officers use mainly super crew pick-ups for their police vehicle so it would be best to submit your design on that type of vehicle.

The winning artist will be awarded **\$ 1000.00 dollars.**

You can submit more than one submission and submissions will be accepted until **Noon** on the 29th of February, 2012. They should be sent to the attention of Chief of Police Claude Chum.

Headquarters
309 Court Street South Thunder Bay , ON
P7B 2Y1

Questions please call (807) 346-6598.

Contest open to all Nishnawbe-Aski Police officers, civilians, and Nishnawbe-Aski First Nation community members, and partner organizations.

Attention this is a great opportunity !
